

Description of Presentation:

This presentation will provide an overview of MADD Canada with focus on the many support initiatives offered to victims of impaired driving. Such initiatives will include available literature; information on Court Monitoring, Court Accompaniment, Tributes, Victim's Rights, Lending Library. As well, it will also cover some of MADD Canada's Training Initiatives, such as and our well established Victim Services Volunteer Training.

Presenters Bio:

Gloria Appleby, Victim Services Manager of MADD Canada is responsible for providing emotional (grief/bereavement) support and advocacy to victims of impaired driving that call into the National Office. Gloria participates in the training of Victim Services Volunteers to assist with supporting victims across Canada. Currently a Board Member for Bereaved Families of Ontario (Halton/Peel) Gloria has 10 years of experience as a Bereavement Support Group Facilitator and does one-on-one initial assessments of newly bereaved parents for BFO.
